## POPULATION CENSUS QUESTIONNAIRE

October 1, 1985

Statistics Bureau  
Management and Coordination Agency

### On the Population Census

The Population Census is to be taken throughout Japan as of October 1, 1985. The Population Census, which has been conducted every five years since 1920, is one of the most important statistical surveys in this country and enumerates all inhabitants to obtain statistical data on their demographic and socio-economic characteristics. Statistics to be compiled from the census returns will be used not only by the central and the local governments but also by a variety of other users.

You are requested to report in this questionnaire on all persons who usually live in your household. Please fill in the questionnaire before the enumerator will visit you again to collect it.

Your answers are strictly confidential. This questionnaire will be used only for statistical purposes. Please answer the questions to the best of your knowledge.

### Please read before filling-in

■ Fill in this questionnaire of all persons who usually live in your household.

Persons who usually live in your household refer to those who have been living, or are going to live, in your household for three months or more.

Special attention should be paid to the following cases.

- Persons who are temporarily absent from your household for travelling or working elsewhere:  
They shall be reported at their homes if their period of absence is less than three months. If they have been, or are going to be, absent from home for three months or more, they shall be enumerated at their destination.
- Students and pupils living in a school dormitory or a boarding house:  
They shall be reported at the dormitory or the boarding house but not at their homes regardless of the period of stay in the dormitory or the boarding house.
- In-patients in a hospital:  
They shall be reported at the hospital if they have been hospitalized for three months or more. If not, they shall be reported at their homes.
- Crew of a ship:  
They shall be reported at their homes.
- Persons in a prison or a detention house whose penalties have been fixed, and persons in a reformatory or the women's guidance home:  
They shall be reported at the institutions.

- Persons who have no address where they have lived, or are going to live, for three months or more:  
They shall be reported at the places where they stay at the census date.

■ This questionnaire should be filled in separately for each household. Special attention regarding the coverage of household members should be paid to the following cases.

- Lodgers:  
Lodgers such as roomers and boarders living apart from their relatives shall be reported individually as a separate household. Lodgers living with their relatives shall be reported together with their relatives as one household.
- Living-in employees:  
All living-in employees shall be reported together with their employer's family.
- Single persons living in a boarding house of a company:  
Persons who live in a boarding house for unmarried employees of a company shall be reported individually as a separate household.
- Students in a school dormitory:  
Those students who live in a school dormitory shall be reported together as one household.

The census enumerator will call on you to collect this questionnaire on October .....

Please fill this out by that time.

If you have any question, please ask the enumerator or the city, ward, town or village office.

Please fill in a column for each member of your household
