HOW TO FILL UP THIS SCHEDULE

1. Make entry of the quantities purchased or received by period in the appropriate column of goods above using arabic figures.
2. In the parentheses of the column 1958, make entry of the price of the goods which were purchased during 1958 (excluding second-hand goods purchased). If you have two or more of the same kind of goods, make entry the price of each good.
3. Make entry of the quantities of goods which are scheduled to be purchased during December, 1959 in the column marked *

TAKE INTO CONSIDERATION THE FOLLOWING SIX POINTS IN MAKING ENTRY

1. Do not make entry of the goods used only for business. But make entry of the goods used for both domestic and business purposes in the column "Goods Used for Domestic and Business Purposes".
2. Exclude the goods used outside of the household by students, laborers or in-patients who are not at home for a long time.
3. Exclude the goods not usable due to damage or breakdown.
4. Include the goods already contracted.
5. Include the goods lent to other households, but exclude those borrowed from other households.
