1984 National Survey of Family Income and Expenditure

Designated Statistics No. 97

Durable Goods, Yearly Income and Savings Schedule

(As of November 30, 1984)

The information you give requested on this Schedule will never be available except for statistical purposes.

Statistics Bureau, Management and Coordination Agency

| Code of city, town or village | Unit area | Series of household number | Code of Household |   |   |
|-------------------------------|-----------|----------------------------|-------------------|---|---|
|                               |           |                            | 1                 | 2 | 3 |
|                               |           |                            |                   |   |   |

## 1. Major Durable Goods

Please fill your total quantities of following goods except those which are planned to buy in Dec. 1984. Furthermore, for those acquired from Jan. to Nov. 1984, please fill the quantities of each item by newly, replacing or additionally acquired and of which obtained by instalment or credit card.

Notes on filling up

- Those used both for domestic and for business are excluded if they are used mainly for business purposes.
- Those given are to be considered as "purchased goods".
- Those which are unclassifiable due to multi-purpose usage, please fill out the name, type, size, usage etc. on the remarks column.

| Items                                 | Quantities                       | Jan.-Nov., 1984 (quantities acquired) |       |              |               | Dec., 1984 (Plan) |
