

Notes for entry (Question 6~8, 12~13)

6. Were you engaged in work during the survey week?

"Work" means any work for wage, salary business profit, etc. Household members who worked without pay in a business or on a farm operated by their family are regarded as those "engaged in work".

"Work" also includes piecework at home or temporary work.

"Had a job but did not work" refers to

a. the employee who did not work because of illness, vacation, labour-management dispute, etc. but received or is to receive wage or salary.

b. the self-employed worker who did not work because of illness, vacation, bad weather, etc. but whose absence period has not exceeded 30 days.

"Had no job and was seeking one" refers to the person who had no job and was seeking a job ready to take up a job immediately.

"Seeking a job" includes waiting for the result of the previous job-seeking. It also includes preparing to start a business by procuring funds and materials.

7. Hours worked during the survey week

* "Hours worked" refers to the actual number of hours worked during the survey week. For persons who worked in

more than one job, the figures refer to the total number of hours worked in all jobs.

* Do not include hours for home house-work, voluntary work without pay, meal, break, commuting, etc.

8. "Self-employed worker" includes shopkeeper, factory owner, farmer, doctor, lawyer, writer, peddler, etc. who works on his/her account.

12. Number of persons engaged in the enterprise as a whole

* If you worked in a unincorporated enterprise, be sure to include the self-employed worker in the number.

13. Do you wish to change the present job, or wish to have another job in addition to the present one?

"Wish to change the present job" refers to the employee who wishes to change the enterprise where he/she worked, the self employed worker who wishes to change his/her business, the employee who wishes to be a self-employed, etc.

Persons who wish to change the type of work in the same company are not considered as "Wish to change the present job".

Labour Force Survey Questionnaire

Confidential

Designated Statistics
No. 30

Month ____ Year ____

Statistics Bureau
Prime Minister's Office

(For First month)

The statistical law, on which this survey is based, prohibits the use of the information supplied by you for purposes other than strictly statistical. It is also forbidden that enumerators and any other officials who are engaged in the survey disclose what is reported in the questionnaire. You are, therefore, kindly requested to provide information frankly and accurately.

PLEASE READ THE FOLLOWING NOTES BEFORE FILLING OUT

All members who usually live in your household should be included in this questionnaire.

Persons who usually live in your household refer to those who have been living, or are going to live in your household for three months or more as of the end of the month.

Persons to be included are

* Family members

* Living-in employees

* Persons living in the household without paying for room and for meals.

Persons who are temporarily absent from your household for travelling or working elsewhere shall be reported at their homes if the period of absence is less than three months. If they have been, or are going to be, absent from home for three months or more, they shall be enumerated at their destination.

In-patients in a hospital shall be reported at the hospital if they have been hospitalized for three months or more. If not, they shall be reported at their homes.

Special attention should be paid to the following cases.

Lodgers

* Lodgers such as roomers and boarders who pay room rent should be reported individually as a separate household.

* Lodgers living together with their relatives should be reported with their relatives as one household.

Persons living in dormitories

* persons living in school dormitories, dormitories for unmarried employees, etc. should be reported individually as a separate household.

Columns to fill out

For persons 15 years old and over as of the end of the month (26th for December), fill out the designated columns on page 2.

* The head of household should be entered in the column No. 1.

* If the number of household members 15 years old and over exceed five, use another questionnaire.

For persons 14 years old and under, fill out the columns below.

When entry is over, please check if the entry is correct. Write the name of the head in the designated column, and hand in this questionnaire to the enumerator.

In this survey, actual status during the survey week ending the last day (26th for December) of the month should be entered.

For instance, for the person who happened to work temporarily during the survey week, the entry should be made as regards the work done even if he usually does not work. For the person who is usually working in an office but was absent from the work and assisted farm work of his family during the survey week, the entry should be made as regards the farm work.

Notes for entry (Question 6~8,12~13)

6. Were you engaged in work during the survey week?
 "Work" means any work for pay or profit whether it be in the form of wages, salary, business profits, etc. Family members who worked for the family business such as a farm, store, etc. are regarded as those "working", even though they did not receive any wages. The work also includes any home handicraft or temporary work for pay or profit.
 "1 Engaged mainly in work" refers to a person who was engaged mainly in work on a farm or in an office, etc.
 "4 Had a job but did not work" refers to:
 a. the employee or the worker who had been away from his work because of sickness, holidays, etc., but who is expected to receive wages or salary.
 b. the self-employed person or employer who had been away from his work for less than 30 days because of sickness, holidays, etc.
 "5 Had no job but seeking one" refers to the person who had no job but was actually seeking work by answering the advertisements in the newspaper, applying at the Public Employment Security Office, etc. Also refers to the person who is waiting for the answer of the application and is able to take up a job immediately after he finds a job.
7. Hours worked during the survey week
 * Include the hours worked on a main job, side job, assisting in the family enterprise, temporary remunerative work, preparing for and clearing work, overtime work, etc.
 * Do not include the hours spent for housekeeping, voluntary work without pay, meals, breaks, transporting to and from an office, etc.
8. "Self-employed worker" includes a shop keeper, a factory owner, a farmer, doctor, solicitor, writer or travelling merchant etc., who works on his own account.
12. Number of persons engaged in the enterprise as a whole
 * Self-employed worker should be counted if the organization is "unincorporated"
13. Desire for work
 "Wishing to change job" refers to the employee who wished to be a self-employed worker, to change the enterprise where he had been working to another, the self-employed worker who wished to be an employee, etc. But does not refer to the person who wished to change the type of work in the same enterprise.

Labour Force Survey Questionnaire

Confidential

Designated Statistics
No. 30

(For second month)

Month ____ Year ____
 Statistics Bureau
 Prime Minister's Office

The statistical law, on which this survey is based, prohibits the use of the information supplied by you for purposes other than strictly statistical. It is also forbidden that enumerators and any other officials who are engaged in the survey disclose what is reported in the questionnaire. You are, therefore, kindly requested to provide information frankly and accurately.

Thank you for your cooperation last month.
 Your cooperation is again requested this month.

PLEASE READ THE FOLLOWING NOTES BEFORE FILLING OUT

All members who usually live in your household should be included in this questionnaire.
 Persons who usually live in your household refer to those who have been living, or are going to live in your household for three months or more as of the end of the month.

Persons to be included are

- * Family members
- * Living-in employees
- * Persons living in the family without paying for room and for meals.

Persons who are temporarily absent from your household for travelling or working elsewhere shall be reported at their homes if their absent period is less than three months. If they have been, or are going to be, absent from home for three months or more, they shall be enumerated at their destination.

In-patients in a hospital shall be reported at the hospital if they have been hospitalized for three months or more. If not, they shall be reported at their homes.

Special attention should be paid to the following cases.

Lodgers

- * Lodgers such as roomers and boarders who pay room rent should be reported individually as a separate household.

- * Lodgers living together with their relatives should be reported with their relatives as one household.

Persons living in dormitories

- * Persons living in school dormitories, dormitories for unmarried employees, etc. should be reported individually as a separate household.

Columns to fill out

For persons 15 years old and over as of the end of the month (26th in December) fill out the designated columns entry page on the reverse side.

- * The head of household should be entered in the column No. 1.

- * Use another questionnaire, if the number of household members is six or more.

When entry is over, check if the entry is correct. Write the name of the head in the designated column, and give this questionnaire to the enumerator.

In this survey, actual status during the survey week ending the last day (26th for December) of the month should be entered.
 For instance, for the person who happened to work temporarily during the survey week, the entry should be made as regards the work done even if he usually does not work. For the person who is usually working in an office but who was absent from work and assisted his farm work during the survey week, the entry should be made as regards the farm work.
